

MOON CHART 2017

Festival Meditation Meetings in Paekakariki and Wellington

The Triangle Centre invites you to participate in Meditation meetings for world service, held at the Triangle Centre, 124 Wellington Road, Paekakariki and a Private Venue in Wellington at 7.30 pm. Wherever possible meetings are held in the 18 hours prior to the full moon –therefore, some meetings are held on the day before the full moon. The full moon marks the time each month when the impact of the divine energies of Light, Love and Power are at their peak and can be registered as a group and radiated into human consciousness.
